The subject is update on Geotech and mitigation contents.

Happy Monday,

Laura

Hi Laura,

Happy Monday!

I'm sure you're already working on this, but Dennis would like to know what the subject of the call will be with Pete. If you'd let me know as quickly as possible, we'd appreciate it.

Many thanks.

Matt

10 am PST on Tuesday. Thanks for your help in the matter. Please put in the invite what the best number is for Pete to reach You/Dennis for this meeting.

Have a super weekend.

Laura

Not a problem! I should be at my desk most of the afternoon – if not, just leave me a VM with the best time and I'll send an invite ☺

Pete's on a plane today. Let's do Tuesday but can you do me a slight favor, can you hold both times. I am pretty sure the 10 am PST time is the best but let me reconfirm (I should know later today) plus I will get the reason for the phone call just so you have a heads up.

Thanks for your help, I really appreciate it.

Hi Laura,

Happy New Year!! I hope you had a nice holiday, too.

Unfortunately, Dennis' Monday is booked solid. He does have some time available today at 3pm

(PST), if Pete's available. The other option is Tuesday at 10am or 2pm PST.

Hi Matt,

How are you? I hope you had a nice holiday.

Does Dennis have time on Monday to talk to Pete?

Cheers,

Laura
